
Philippe Gelis

CEO & CO-FOUNDER

BIOGRAPHY

Philippe Gelis is the Chief Executive Officer and co-founder of Kantox, a leading currency management software company, with headquarters in London. He founded the company in 2011, with Antonio Rami and John Carbajal.

Recognised as a global Fintech Thought Leader and Influencer, Philippe began his career as a strategy and management consultant, spending several years with Deloitte. He holds an MSc in Business Strategy and an MBA in Corporate Finance, both from Toulouse Business School.

Philippe speaks French, Spanish and English and counts good cuisine and motorsport among his interests.
